19. [REDACTED] LEGISLATION Received a call from Bill Hogan, Counsel, House Armed Services Committee. The amendments to the Foreign Service Retirement Act are included in the State Authorization bill which is now in conference. He asked that a paper be prepared showing those provisions in the Foreign Service bill which are in the Agency's retirement bill for his presentation before the Rules Committee. He wants to make a point that the provisions we are seeking have already been considered by the Congress. He said that Frank Slatinshek, Chief Counsel, will be calling the Rules Committee to try to shake out our bill and he suggested that we call them as well.

22. [REDACTED] LEGISLATION Met with Nicosia Gregory, Chief Counsel, House Rules Committee, and discussed scheduling of H. R. 13615, to amend CIARDS. Gregory said the Committee is jammed and suggested that the House Armed Services Committee Chairman get the Majority Leader to commit floor action. Rules will then take up the bill immediately. I subsequently discussed this with Bill Hogan, Counsel, House Armed Services Committee, and he will have Chairman Melvin Price (D., Ill.) call the Majority Leader. It appears now the soonest floor action will be the week of 20 July.

32 [redacted] LEGISLATION I stopped by to see Frank Slatinshek, Chief Counsel, House Armed Services Committee, and discussed with him H. Res. 4438 and the problems it would create for the Agency. Slatinshek's suggestion was that we meet this sort of legislation head on with an attempt to get a specific exclusion for intelligence agencies.
